

XAN004

Xanthigen®

Xanthigen® contains the patent-protected combination of omega-5 PUFA punicic acid (CLnA) from Pomegranate seed oil - a powerful natural antioxidant, and fucoxanthin from the brown seaweed *Undaria pinnatifida* - a carotenoid known for its anti-obesity, anti-diabetic, and cognitive enhancing effects.

The synergy between these two extracts promotes weight loss, suppresses adipocyte differentiation and lipid accumulation, reduces body and liver fat and increases energy expenditure.

Xanthigen® is a patent-protected, clinically studied ingredient for weight management.

Product features

Botanical origin:

Undaria pinnatifida (seaweed blades)
Punica granatum (seeds)

Bioactives:

Fucoxanthin \geq 0.425%
Punicic acid \geq 35%

Appearance:

Oleoresin

Packaging material:

25kg

Shelf Life:

3 years

Taste:

Seaweed

Recommended use:

3x200 mg/day

Safety & Quality:

GMO free, BSE/TSE free, allergen free, nanomaterial free, DNA-barcode

Product certification:

Kosher

Benefits

Weight Management

- + Suppresses adipocyte differentiation
- + Suppresses lipid accumulation
- + Helps prevent weight gain
- + May reduce body fat and liver fat
- + Increases energy expenditure

Cognitive Health

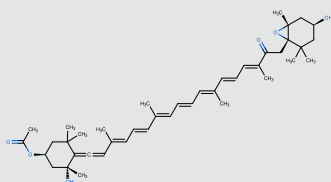

- + Maintains cognitive function

Cardiovascular & Metabolic Health

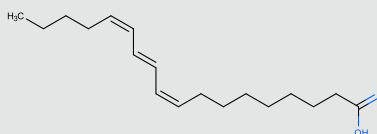

- + Helps maintain healthy liver
- + Maintains blood glucose homeostasis
- + Supports insulin signaling

Bioactive markers

Fucoxanthin

Punicic acid
